## SCHEDULE - CONDITIONS RELATING TO THIS MODIFICATION

Modification of conditions under section 37(1)(a) as follows:

Delete condition G2.1

After existing condition G2 add new condition G2.1

G2.1 A risk assessment shall be undertaken to assess the environmental impacts of emissions from the site. The risk assessment shall consider the impacts of the dispersed emissions to air, surface and groundwaters in the vicinity of the site and determine if any changes are required to the environmental monitoring regime for the site.

A written report, based upon the risk assessment, with recommendations regarding any proposed changes to the environmental monitoring regime for the site shall be prepared and submitted to the Agency within 6 months of the date of issue of this modification unless otherwise agreed in writing with the Agency. Any recommendations, once agreed in writing with the Agency, shall form part of the working plan for the site.
