### Introductory note

**This introductory note does not form a part of the notice.**

The following notice gives notice of the variation and consolidation of an environmental permit.

This is a variation of a Tier 3 bespoke permit for an inert and excavation waste transfer station with treatment.

The variation includes:

- Increasing the permitted area; and
- updating the permit into modern format (updating consolidation).

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
