### **Introductory note**

**This introductory note does not form a part of the notice**

The following notice gives notice of the variation of an environmental permit.

This administrative variation is to extend the site boundary only. The area of land which has been added to the permitted site meets the location criteria for the standard rule set in the original permit - SR2008No1. This variation notice includes a revised site plan.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
