Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation and consolidation of an environmental permit.

This is a Regulator led variation and consolidation to modernise the permit to current standard conditions, and an Operator led variation to include waste code 20 01 99 (disposable nappies) in the list of wastes accepted on site.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
