Dear Mr. Whittingham

**Pig and Poultry Assurance Scheme: Compliant inspection**

**Farm Name: Great Trymynach Farm, Environmental Permit Number: VP3435UR**

Thank you for taking part in the inspection by your Farm Assurance Certification Body, on 02/09/2013

I am pleased to confirm that at the time of inspection you were compliant with your permit.

For information, the following breach was assessed by your Certification Body as 'requirement not met', but we have assessed it as compliant as detailed below:

Permit Condition 1.1 General management, inspection and maintenance – *The assessor noted damage to the internal lining of house 5. As you indicated that this would be repaired at the end of the current crop cycle this will not be recorded as a breach. Please can you confirm in writing that this work has now been completed.*

Your farm will continue to remain in the scheme for the next scheme year beginning on 1 April 2014.

Please contact me, if you have any questions about this letter.

Yours sincerely

**Christopher Gardener**
