Dear Mr. Whittingham

Title: Inspection of Intensive Poultry Permit Great Trymynach Farm - Permit No EPR VP3435UR

The Environment Agency is required to inspect permitted poultry unit who are members of the Quality Assurance Scheme once every three years. Our records show that Great Trymynach Farm - Permit No EPR VP3435UR is due for an inspection this year.

As discussed with you in our telephone conversation I will carry out the inspection on 25th April 2012 at 2:00 pm. During the inspection I will need to walk around the permitted area and then go through any documentation required by the conditions of the permit, in particular any reviews which have been required in the previous twelve months.

If you have any queries regarding the inspection or your permit please feel free to contact me using any of the contact details below

Yours sincerely
