Dear Messrs Wittingham

**Pollution Prevention and Control Regulations (PPC) 2000**

IPPC Pig and Poultry Assurance Scheme Environmental permit number: VP3435UR

Thank you for taking part in the inspection by your Farm Assurance Certification Body on 09/12/10. I have assessed the information collected which indicates the following non-compliances with your permit:

- No permit on display
- No 'How to Comply' documentation on display

I have however been made aware that these non-compliances were corrected at the time of the audit.

I am pleased to confirm that you are compliant with your environmental permit.

If you require any further information, or clarification on any of the above matters, please do not hesitate to contact me.

Yours sincerely
