Dear Mr Stephen Barker,

Re: Request for Hafren Dyfrdwy Asset Plans - Hafren Dyfrdwy Plan Request: 13966136

Your ref: Henllan Discharge Consents

Thank you for placing your order for an asset plan for the above mentioned job number.

May I advise you that Hafren Dyfrdwy has no record of any sewer mains within the vicinity of the designated area shown on your plan. However, development may have taken place for which we have not received any information and this should be anticipated during any excavation.

Please note:

The GISmapping Team can only provide water and sewer map locations of Hafren Dyfrdwy's underground assets.

Lateral drains and sewers, adopted on 1st October 2011 may not be shown on the maps.

Service Pipes (property connections) are the responsibility of the property owner and will not be shown on water/sewer maps.
