### Introductory note

**This introductory note does not form a part of the notice.**

The following notice gives notice of the variation and consolidation of an environmental permit.

This variation changes the permit from a Tier 2 standard rule set to a Tier 3 bespoke permit. The site boundary has been extended and the site is now permitted to do a number of activities for the purposes of recovery only.

The consolidated and updated permit has been issued separately to this notice.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
