

Dear Natural Resources Wales,

Re: Confidentiality of Relevant Conviction

Within the application to vary waste permit WP3094FB (Alan's Skip Hire Wales, ASH Recycling Centre, Redwither Road, Wrexham, LL13 9RD), a relevant conviction has been provided (for EPR/VP3794FN, Alan's Skip Hire, Bretton, Flintshire).

Although this does not relate to Alan's Skip Hire Wales Ltd (EPR/WP3094FB), the details have been provided for full disclosure. The background and actions put into place since the conviction have been detailed within the document 'Alan's Skip Hire Wales Relevant Conviction'.

We do not wish for this to be placed on the public register as it is not related to the site for which the application is being made. There have been numerous NRW inspections since the date of the offence (the last being on 21st April 2017), and no repeat incidents have been observed by the NRW officers.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'S. Rymill'.
