Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation and consolidation of an environmental permit.

This is an operator led variation of a tier 3 bespoke environmental permit to add a heat treatment facility to the existing facilities- Household, Commercial and Industrial Waste Transfer Station with waste treatment and Waste wood treatment activity.

The permitted area has also been extended.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit
