Compliance inspection report for Trostrey Court Poultry Farm FP3836MU

Dear Mr. Morgan

Thank you for taking part in the site inspection on the 22nd of September and I am pleased to let you know that the activities we inspected are compliant with the following regulations:

- **Pollution Prevention and Control Regulations (PPC) 2000**

However, as discussed, you have two standard improvement conditions which require you to complete housing and drainage reviews for the site and these are yet to be submitted. I have recorded this as a breach of the Permit conditions.

Once again, thank you for the time spent during the visit, please don't hesitate to contact me if you have any questions about this letter or the regulations.

Yours sincerely
