Schedules

1. We have reviewed your proposal to store waste on the hardstanding and can agree to them as long as the following are completed:
 - a. You agree to only store waste on the hardstanding yard area that has been processed, baled or wrapped at your site. Waste prior to being treated must be stored inside the building.
 - b. You submit information on how you will comply with the above point. This information will be included within the permit.
2. In your Fire Emergency Action Plan- section *Environs/Receptors*. You have stated that “stack dimensions not exceeding 5m height and 20m length/width not exceeding 750m³ volume.” However these dimensions would produce a volume of 2000m³ not 750m³. Can you check these figures and amend as necessary.
