12th March 2018

Dear Sir/Madam,

Non-compliance with Notice served under Section 41(6) of the Environment Act 1995

On the 8th February 2018 Natural Resources Wales served a notice demanding payment of outstanding charges on Clwyd Breakers Ltd.

The subsistence fees that this notice referred to covered the periods (i) 1st April 2016 to 31st March 2017 and (ii) 1st April 2017 to 31st March 2018. The notice therefore required that full payment of the outstanding amounts of (i) £648.68 and (ii) £12,405 be paid within 28 days of the notice being served.

The notice informed Clwyd Breakers Ltd that if Natural Resources Wales did not receive full payment of the outstanding charges listed above by the 8th March 2018 then, under section 41(6) of the Environment Act 1995 Natural Resources Wales may revoke or suspend the environmental permit (Reference EPR/NP3290VM).

We are writing to inform you that as payment was not received within the specified timescale we are now considering suspension of activities authorised by the environmental permit.

Please respond in writing within 7 days of the date of this letter should you have any comments.

On behalf of Natural resources Wales,

Vanesa Lang
Waste Regulation Team Leader
