Dear Sir / Madam

**RE: ENVIRONMENTAL PERMITTING REGULATIONS (ENGLAND AND WALES) 2010  
TY MAWR WEST QUARRY TALYSARN CAENARFON  
BESPOKE ENVIRONMENTAL PERMIT APPLICATION – REF PAN 000248**

Attached please find an Environmental Permit Application duly made by Ty Mawr West Limited under the provisions of the 2010 Regulations in respect of a proposal to import solely inert waste to be employed in the restoration of land previously disturbed by mineral workings at Ty Mawr West.

My client Ty Mawr West Limited has previously been in contact with your Bangor Office who have kindly provided advice and guidance together with the appropriate standard application forms so enabling the compilation of this submission to be completed for onward transmission to your goodselves for consideration.

The proposal has the benefit of several planning permissions as detailed in Section 4 Appendix C of the written submission in the form of copy documents.

This application for a new Bespoke Environmental Permit comprises the following documentation:

- 1.0 Non Technical Summary
- 2.0 Drawings
  - TMW/013 Location Plan
  - TMW/014 Town and Country Planning
  - TMW/015 Waste Repository – Sections 1 and 2
  - TMW/016 Restoration – Old East Quarry – Area 1
  - TMW/017 Restoration Sections A and B – Area 1
  - TMW/018 Restoration Sections C and D – Area 1
  - TMW/019 Existing Landscape Context – Area 2
  - TMW/020 Extraction Limits – Area 2
  - TMW/021 Restoration Scheme – Area 2
  - TMW/022 Restoration Sections – Area 2
  - TMW/023 View of Nantlle Valley Slate Quarries from Cilgwyn
  - TMW/024 Sketch of Landscape Concept Scheme

- 3.0 Application Forms
  - Part A
  - Part B2
  - Part B4
  - Part F1
- 4.0 Appendices
  - A Waste Types
  - B WAMITAB Certificate
  - C Town and Country Planning Including Appendices 1 – 6
  - D Restoration Schemes for Area 1 and Area 2
  - E Geology, Hydrogeology and Geotechnical
  - F Closure Report – March 2007
  - G Ecology and Bats
- 5.0 OPRA – Operational Risk Appraisal
- 6.0 Environmental Setting and Installation Design (ESID)
- 7.0 Environmental Risk Assessment, Amenities and Accidents (ERA)
- 8.0 Hydrogeological risk assessment (HRA)
- 9.0 Stability Risk Assessment (SRA)
- 10.0 Operating Techniques and Closure Plan (OTCP)

The Application fee of £7,695.00 as determined under the provisions of the Operational Risk Appraisal documentation is included made in favour of Natural Resources Wales and dated 3<sup>rd</sup> January 2017.

Included are 6 CD copies of the submission.

Should there be any queries regarding this submission then please do contact me.

Yours sincerely
