CCS scores can be consolidated or suspended, where appropriate, to reflect the impact of some non-compliances more accurately. For more details of our CCS scheme, contact your local office.

This CAR form covers the final inspection for the purposes of surrendering the permit.

b2) Infrastructure - Closure and decommissioning

On arrival site was locked and secure. Met Kevin Edwards from Flintshire County Council at site. Kevin Edwards said that the Chemsafe and battery box which were still on site were to be moved to Mold Recycling Park that day. There was one acetylene gas cylinder in the gas bottle cage which was also to be removed. There was pile of road planings/concrete and a separate pile of soil on site which were going to be used to reinstate the site surface after demolition. Kevin Edwards said that the site was scheduled for demolition in mid November.

I revisited the site on 23rd November 2015 at 14:45 and the site had been completely demolished and reinstated as a road side verge.
