### **Introductory note**

#### **This introductory note does not form a part of the notice**

The following notice gives notice of the variation of an environmental permit.

This is an operator initiated administrative variation of a standard rules permit to increase the permit area.

The facility address has also changed because of the additional industrial units that are now included.

The registered office address has been updated to reflect changes to Companies House.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
