Dear Sir/Madam,

Re; Llandrindod Wells Household Waste Recycling Centre permit application

Please find enclosed application for Standard Rules Permit SR2008No13_5kte-non hazardous and hazardous household waste amenity site, along with supporting documentation as follows;

- Part A, B1 and F1 forms to apply for the permit
- RAD-2007-0520 Planning Permission – this permission is for B2 general industrial use and was granted 03/04/2008
- Planning application form – planning application for the acceptance of hazardous waste, for which we are waiting a decision
- Fence change application form – variation to RAD-2007-0520 to raise the height of the fence, for which we are waiting a decision
- Opening hours application form – variation to RAD-2007-0520 to extend the servicing of the site to 5pm on a Saturday, for which we are waiting a decision
- Design Access Statement to support the above application and variations
- Llandrindod Wells Household Waste Recycling Centre permit management system– contents. This document is provided to support Part B1, 6d and is a summary on which the management system will be established once the site is operational.
- 2502-02-MOI-001 Kerbing Surface and slab plan
- 2502-01-MOI-002 Drainage Plan
- Post Conviction Plan, providing information required by B1 6a
- WAMITAB certification as required by Part B1 6b

Should you require any additional information please do not hesitate to contact me.

Yours sincerely,

Debbie Potter
