Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation and consolidation of an environmental permit.

This is an operator-initiated variation to vary the permit from SR2008 No1 Household, commercial and industrial waste transfer station permit to a bespoke permit for the storage of 19 01 12 bottom ash and slag other than those mentioned in 19 01 11 only.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
