To the attention of Mr M Dines

We are enclosing documents that provide evidence of Mrs Donna Regan's Technical Competence scheme. Mrs Donna Regan will now be working along side Mr Dylan Thomas. She was awarded on 13/01/2011 as you will be able to see on the Certificates. These certificates were once shown on a previous visit back in February 2011.

I also would like to notify you of the passing of Mr Ivor Thomas on the 27/03/2010.

Regards

M. Thomas
