Thank you for taking the time to discuss and demonstrate your activities on site.

Your operation consists of a permitted ELV site for scrapped cars.

This visit was an initial site inspection and the following points summarised below were discussed.

Technical Guidance, EMS, TCM, Waste returns, Compliance/CCS Scores, CAR forms, Public register, Duty of Care, Hazardous Waste Regulations, Permit changes and ELV Depollution Regulations were talked through with new Manager of the AQA business, Mr Usman Anwar by the NRW site officer. A copy of this document and the notes made is available from NRW upon request, and if agreed by A Q A (Cardiff) Ltd.

Assessment of the permitted activities was not undertaken as the site was not yet fully operational with no ELV depollution currently taking place on site.
