### **Introductory note**

#### **This introductory note does not form a part of the notice**

The following notice gives notice of the variation of an environmental permit.

This is a regulator initiated variation to include the requirement to supply quarterly returns detailing waste handled on site during that period, as per standard reporting conditions, omitted from the original permit.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
