**FOR
RECYCLED NISSAN PARTS**

Cardiff

11th April 2018

Dear Natural Resources Wales,

Enclosed application to change permit, the only change is the name (Authorised Treatment Facility) which is still on the public register as Nissan 1st.

As you will see by the application our company name changed in 2012.

I thought that this had been changed, but apparently not.

Will I get a confirmation of the change?

Your sincerely

Hilary Matthews
