Advice given that the technical competent manager should also show time spent on site when signing in.

Mr Williams agreed to keep record of this.

Permit & site diary were available on request.

C3 Materials Acceptance-Condition 2.1.1-CCS CAT 3

You are not permitted to be accepting WEEE waste items. Upon our inspection, officers witnessed a fridge/freezer inside the storage building and not within the segregation zone. This is a breach of condition 2.1.1 of your Environmental Permit which stipulates that you are limited to the waste types as specified in Table 2.1. I have issued this a CCS score of 3. Please ensure that you do not accept waste which are not specified in your permit. Please remove all unpermitted waste by the 30/11/16
