

Notice of variation with introductory note

Environmental Permitting (England & Wales) Regulations 2016

L.A.S. Recycling Limited

LAS Waste Ltd.
Tregaron Road
Lampeter
Ceredigion
SA48 8LT

Variation application number
EPR/JP3698FK/V003

Permit number
EPR/JP3698FK

LAS Waste Ltd.
Permit number EPR/JP3698FK

Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This is a regulator initiated variation to add in conditions relating to fire risk mitigation.

As a result of the change made to the Companies House records on 4th January 2007, this variation also amended the company name from L A S Waste Ltd to L.A.S. Recycling Limited.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit		
Description	Date	Comments
Permit determined EAWML 34288	19/09/06	Original permit issued to L A S Waste Ltd.
Modification determined	21/03/07	All conditions deleted and replaced. Varied permit issued to L A S Waste Ltd.
Natural Resources Wales initiated variation EPR/JP3698FK/V003 (formally EAWML 34288)	Duly made 29/09/17	Regulator initiated variation to add in conditions relating to fire risk mitigation. Company name changed from LAS Waste Ltd to L.A.S Recycling Limited.
Variation determined EPR/JP3698FK	23/10/17	Varied permit issued to L.A.S. Recycling Limited.

End of introductory note

Name	Date
Holly Noble	23/10/2017

Authorised on behalf of Natural Resources Wales

Schedule 1 – conditions to be deleted

None

Schedule 2 – conditions to be amended

None

Schedule 3 – conditions to be added

The following conditions are added following a Natural Resources Wales initiated variation

4.6 Operating techniques

- 4.6.1 (a) The activities shall, subject to the conditions of this permit, be operated using the techniques and in the manner described in the documentation specified in table S4.6, unless otherwise agreed in writing by Natural Resources Wales.
- (b) If notified by Natural Resources Wales that the activities are giving rise to pollution, the operator shall submit to Natural Resources Wales for approval within the period specified, a revision of any plan or other documentation ("plan") specified in table S4.6 or otherwise required under this permit which identifies and minimises the risks of pollution relevant to that plan, and shall implement the approved revised plan in place of the original from the date of approval, unless otherwise agreed in writing by Natural Resources Wales.

Table S4.6 Operating techniques

Description	Parts	Date Received
Technical Guidance Document: 'How to comply with your environmental permit'	All relevant sections	N/A
Sector Guidance Note IPPC S5.06: Guidance for the Recovery and Disposal of Hazardous and Non-Hazardous Waste	All relevant sections	N/A
Fire prevention and mitigation plan guidance - Waste	All relevant sections	N/A
Fire prevention and mitigation plan	All relevant sections	In line with IPC 1

4.7 Fire

- 4.7.1 The operator shall manage and operate the activities in accordance with a written fire prevention plan using the current, relevant fire prevention plan guidance.
- 4.7.2 The operator shall:
- (a) if notified by Natural Resources Wales that the activities could cause a fire risk, submit to Natural Resources Wales a fire prevention plan which identifies and minimises the risks of fire;
- (b) Operate the activity in accordance with the fire prevention plan, from the date of submission, unless otherwise agreed in writing by Natural Resources Wales.

4.8 Improvement programme

- 4.8.1 The operator shall complete the improvements specified in table S4.8 by the date specified in that table unless otherwise agreed in writing by Natural Resources Wales.
- 4.8.2 Except in the case of an improvement which consists only of a submission to Natural Resources Wales, the operator shall notify Natural Resources Wales within 14 days of completion of each improvement.

Table S4.8 Improvement programme requirements		
Reference	Requirement	Date
IPC1	<p>The operator shall submit a written Fire prevention and mitigation plan to Natural Resources Wales for approval.</p> <p>The Fire prevention and mitigation plan must be produced in line with the standards set out in Fire prevention and mitigation plan guidance – Waste.</p>	3 months after permit issue or otherwise agreed in writing with Natural Resources Wales
