Dear Sir or Madam

**Modification of Waste Management Licence number: L1/30 (34013)
Return of Financial Provision**

Please find enclosed Notice of Modification with regard to the above waste management licence. This modification has been undertaken under the Agency's own initiative to remove the condition that required your financial provision agreement to be maintained.

The Agency has recently changed its policy with regard to financial provision for non-landfill waste management licensing. Applicants and licence holders can now satisfy the Agency on the financial provision test by demonstrating financial health. This can be done through credit checks or evidence of sufficient funds. The arrangements you previously made with the Agency are no longer necessary and financial provision will not be reassessed unless you apply to modify the licence and increase the licence obligations. Please read on to see how the financial provision agreements will be returned.

Bond: Bonds will be returned to the bondsmen (normally banks) before the end December 2003 thereby cancelling them. The legal agreement will be returned to the licence holder by April 2004.

Cash Deposit: The deed of trust and cash payment together with interest earned and tax certificates will be returned to the licence holder by April 2004.

Escrow: You will receive a letter of authority signed by our authorised signatory with a space for you to sign, confirming to the bank that the account should be closed and the money paid out to the licence holder.

Insurance: The policy will be returned to the insurer with a covering letter requesting that the policy be cancelled forthwith. The bond will be returned to the bondsman and the legal agreement will be returned to the licence holder.

Parent Company Guarantee: The guarantee will be returned to the guarantor.

Bonds are to be returned to the bondsmen and banks by 1st January 2004, so please contact your bank if you need to find out more. All other agreements will be returned by 1st April 2004.
