**WHEREAS** on 17 October 2000, the Environment Agency ("the Agency") issued a Waste Management Licence in pursuance of its powers under Part II of the Environmental Protection Act 1990 for the above named facility to you

**AND WHEREAS** on 05 December 2003, the Agency modified the conditions of the said Licence in pursuance of Section 37 (1)(a) of the Environmental Protection Act 1990 (modification number 01)

**AND WHEREAS** on 24 June 2005, the Agency modified the conditions of the said Licence in pursuance of Section 37 (1)(a) of the Environmental Protection Act 1990 (modification number 02)

**NOTICE IS HEREBY GIVEN** that the Agency modifies the conditions of the said licence in accordance with Section 37 (1)(a) of the Environmental Protection Act 1990 and as set out in the Schedule attached to this notice (modification number 03).

Signed 

Dated 15/12/05

**CHRISTOPHER WRIGHT**  
Team Leader – Regulatory Waste

This modification shall take effect on 16 December 2005 at 00.01 hours.

**YOUR ATTENTION IS DRAWN TO THE RIGHTS OF APPEAL OVERLEAF**

## **EXPLANATORY NOTES - including rights of appeal.**

### **RIGHTS OF APPEAL**

Section 43(1) of the Environmental Protection Act 1990 provides that:

Where, except in pursuance of a direction given by the National Assembly for Wales, the conditions of a licence are modified, the licence holder may appeal from the decision to the National Assembly for Wales.

Therefore, if you feel aggrieved by the decision detailed on the attached notice, you may obtain the appropriate form on which to give written notice of an appeal from:

The Planning Inspectorate  
Crown Buildings  
Cathays Park  
Cardiff  
CF10 3NQ

Tel: 02920 823859  
Fax: 02920 825150

This notice of appeal should be accompanied by the following information:

A statement of the grounds of appeal;

A copy of any application to modify the licence

A copy of the licence;

A copy of any correspondence relevant to the appeal;

A copy of any other document relevant to the appeal including, in particular, any relevant consent, determination, notice, planning permission, established use certificate or certificate of lawful use or development and

A statement indicating whether you wish the appeal to be in the form of a hearing or on the basis of written representations.

You are also required to serve a copy of your notice of appeal, together with copies of any the above documents that have accompanied your notice of appeal, on the Environment Agency (at the address overleaf). You should appeal within 6 months of the date that this notice takes effect but the National Assembly for Wales may allow notice of appeal to be given after the expiry of this time period.

## **SCHEDULE - CONDITIONS RELATING TO THIS MODIFICATION**

Modification of conditions under Section 37 (1)(a) as follows:

Delete conditions 1.2.2, 7.2.2, Appendix A and Appendix B

Add new conditions 1.2.2, 7.2.2, Appendix A and Appendix B

*Permitted quantities of waste*

- 1.1.2 The total quantities of waste accepted at the site per year shall not exceed 12,500 tonnes.

**Table 1.2 Permitted quantities of waste**

| <b>Permitted Waste Categories<br/>(Classified using European<br/>Waste Catalogue, See list<br/>Appendix A)</b>         | <b>Maximum Permitted Quantities for each waste<br/>category (subject to maximum permitted total<br/>quantity in condition 1.2.2) (tonnes/year)</b> |
|------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Metal wastes (non-hazardous)</b>                                                                                    | No limit subject to maximum storage capacities detailed in Table 1.1.                                                                              |
| <b>Degradable Household Wastes<br/>Degradable Industrial Waste<br/>Degradable Commercial Waste<br/>(non-hazardous)</b> | No limit subject to maximum storage capacities detailed in Table 1.1.                                                                              |
| <b>Hazardous Waste</b>                                                                                                 | No limit subject to maximum storage capacities detailed in Table 1.1.                                                                              |

- 7.2.2 A summary record of the waste types and quantities accepted and removed from the site shall be made annually at the end of each financial year and shall be submitted to the Agency within one month of the end of that year. The summary record shall be in the format detailed in Appendix B or otherwise subsequently specified by the Agency in writing.

## Appendices to conditions

### Appendix A – Permitted Waste (Condition 1.2.1)

#### *Permitted categories and types of waste*

Permitted waste categories are indicated using the European Waste Catalogue (EWC), these are subject to maximum total capacity stipulated.

| EWC        | Description                                                                                                                                                                                       |
|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 02         | WASTE FROM AGRICULTURE, HORTICULTURE, AQUACULTURE, FORESTRY, HUNTING AND FISHING, FOOD PREPARATION AND PROCESSING                                                                                 |
| 02         | Waste from agriculture, horticulture, aquaculture, forestry, hunting and fishing                                                                                                                  |
| 02 01 10   | Waste metal                                                                                                                                                                                       |
| 12         | WASTE FROM SHAPING AND PHYSICAL AND MECHANICAL SURFACE TREATMENT OF METALS AND PLASTICS                                                                                                           |
| 12 01      | Waste from shaping and physical and mechanical surface treatment of metals and plastics                                                                                                           |
| 12 01 01   | Ferrous metals filings and turnings                                                                                                                                                               |
| 12 01 02   | Ferrous metals dust and particles                                                                                                                                                                 |
| 12 01 03   | Non-ferrous metal filings and turnings                                                                                                                                                            |
| 12 01 04   | Non-ferrous metal dust and particles                                                                                                                                                              |
| 16         | WASTES NOT OTHERWISE SPECIFIED IN THE LIST                                                                                                                                                        |
| 16 01      | End-of-life vehicles from different means of transport (including off-road machinery) and waste from dismantling of end-of-life vehicles and vehicle maintenance (except 13, 14, 16 06 and 16 08) |
| 16 01 04** | End-of-life vehicles                                                                                                                                                                              |
| 16 01 06   | End-of-life vehicles, containing neither liquids nor other hazardous components                                                                                                                   |
| 17         | CONSTRUCTION AND DEMOLITION WASTE (INCLUDING EXCAVATED SOIL FROM CONTAMINATED SITES)                                                                                                              |
| 17 04      | Metals (including their alloy)                                                                                                                                                                    |
