BRECKNOCK BOROUGH COUNCIL

PERMIT

ENVIRONMENTAL PROTECTION ACT 1990 - SECTION 3

VARIATION NOTICE

LICENCE NO: 03/93

VARIATION NOTICE REF NO: VAR/03/93

TO:

Industrial and Environmental Services Ltd.,
Twyn-Yr-Odyn, Wenvoe, Cardiff CF5 6BG
("the Licence Holder")

WHEREAS (1) On the 29th day Of July 1993 the Brecknock Borough Council ("the Council") issued a licence under Section 5 of The Control of Pollution Act 1974 ("the Existing Disposal Licence") to the Licence Holder authorising it to operate a transfer station and civic amenity site for solid non special waste on land at Cwrt-y-Plyffin, Nr. Llanwern, Brecon, Powys. Grid reference: 3090823162.

(2) By virtue of Section 77(2) of The Environmental Protection Act 1990 ("the 1990 Act") the Existing Disposal Licence is treated as a Site Licence within the meaning of Section 35 (12) of the 1990 Act.

(3) The Licenceholder has applied to the Council under Section 37(1)(b) of The 1990 Act to modify the conditions of the Existing Disposal Licence and the Council has granted the modifications sought.

Now therefore the Existing Disposal Licence is hereby Modified and shall have effect as if :-

- 1. For Schedule B (types of waste) thereto there was substituted the following schedule :-

"Schedule B-Types of Waste"

Types and quantities of waste material accepted at the facility per day shall consist only of the following solid wastes:

| <u>TYPES OF WASTE</u> | <u>QUANTITY</u> |
|-----------------------------------|-----------------|
| Domestic Waste | 100 tonnes |
| Commercial Waste | 50 tonnes |
| Civic Amenity Waste | 50 tonnes |
| Construction and Demolition Waste | 250 tonnes |

which do not contain any environmentally hazardous materials.

- 2. In Schedule C (conditions) thereto was added the following condition Number 43:-

"43. Vehicles carrying construction and demolition waste shall tip the waste directly into the compactorised vehicles. Waste shall only be discharged directly into the compactorised vehicles. All vehicles carrying construction and demolition waste that cannot discharge directly into the compactor vehicles shall not be permitted on site".

Cont....

The above modifications take effect at 8.00 a.m. On 14th November, 1994.
