### **Introductory note**

**This introductory note does not form a part of the notice.**

The following notice gives notice of the variation of environmental permits EPR/NP3998FA and EPR/AB3191HY referred to in the status logs below and the replacement of those permits with a consolidated environmental permit.

This is an operator initiated multi-permit variation of a tier 3 bespoke environmental permit for a non-hazardous and hazardous household waste amenity site.

This variation, increases the permit area to include permit areas of EPR/NP3998FA and EPR/AB3191HY, adds additional Recovery codes; it also clarifies and adds waste codes and confirms the drainage on site. The permit is also updated to modern conditions.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number
