Dear Craig Roberts

MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING

LICENCE FOR RHYL HARBOUR MAINTENANCE DREDGING

LICENCE NUMBER: DML2164

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, duly made on 14 January 2022 for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **DML2164** and its conditions.

Advisory Note

Marine Licence, **DML2164**, constitutes a statutory consent; therefore the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence **DML2164** carefully, in particular the need to advise Welsh Government Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

It is also advised that you engage with The Royal Commission on the Ancient and Historical Monuments of Wales (RCAHMW) and The Clwyd-Powys Archaeological Trust when completing the Written Scheme of Investigation (**licence condition 3.18**) to ensure they agree with the actions outlined within the document including the scope of surveys, again, to assist with approval in a timely manner upon submission to NRW PS as the Licensing Authority.

Additionally, NRW Advisory have asked that consideration should be given to the retention of dredged sediments within the marine system where possible, for any future applications.

Marine Licence, **DML2164** is solely granted for the work to be undertaken at **Rhyl Harbour, Denbighshire**; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.
