Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation and consolidation of an environmental permit.

This is an administrative variation of a tier 3 bespoke environmental permit. This variation is to change the company name from Northwood & Wepa Limited to WEPA UK Ltd as requested by the operator. The operators registered office address and company number have not changed.

Table S1.1, Table S1.2, Table S3.1 and the site plan in Schedule 7 have all been reinstated as they were removed via an admin error in EPR/EP3738NG/V003 by Natural Resources Wales.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
