Dear Mr. Stone

Returning your permitting application

Application reference: PAN-001677

Operator: Mr Simon Stone

Facility: Unit 1009 Caerwent Army Training, Caerwent, Momouthshire, NP25 5XL

We emailed you on 10th July 2017 to ask you to send us the supporting documents for your permit application, to provide complete application forms as some questions had not been answered and confirm the payment for the application but we've not had a reply from you. Unfortunately this means your application is not duly made and we must return it to you.

You may resubmit your application. We recommend that you talk to your local area office about your application before you complete it. Please call 0300 065 3000 and ask to speak to your local area office or your site officer.

We'll refund your fee separately – if you are able to confirm how, by whom and reference e.g. BACS reference we will be able to do this as previously outlined in our not duly made letter of July 10th we are unable to find a BACS payment from either yourself (Simon Stone) or Crown hill top soil on our payments system, the only payment we have for £8892 is via a cheque and from a different source.

If you operate a regulated facility without a permit, you would be committing an offence and would be liable to prosecution.

If you change how you operate your facility without us agreeing to the change and issuing you with a variation notice, you may be committing an offence and could be liable to prosecution.

If you have any questions please phone me on 0300 065 3516 or email Hannah.loughlin@naturalresourceswales.gov.uk.
